Fishing & Water Fun

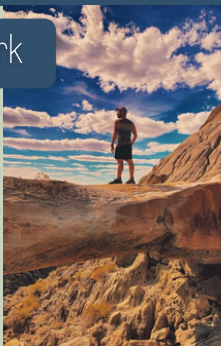

From paddlefishing in the Yellowstone to lazily casting a pole into Hollecker, Glendive sees all kinds of fishermen. Anyone can enjoy the many water activities in the community. Visit the Yellowstone River, Hollecker Lake, the city pool and the city Splash Park. Kayak rentals are available at Makoshika Wellness.

Makoshika State Park

Walk a real dinosaur trail! Montana's largest state park features badland formations and the fossil remains. You'll find a visitor center at the park entrance with interpretive exhibits. Included within the park are scenic drives, hiking trails, 28 camping sites, a group picnic area, a disk golf course and an outdoor amphitheater.

Local Shopping

Check out the variety of stores Glendive has to offer! Downtown you'll find handcrafted jewelry, quilts, fabrics, guitars, action figures, furniture, handcrafted pottery, boutiques, coffee shops and so much more.

Short Pines | OHV

Short Pines OHV Area, located just outside Glendive, is the premier and only site in Eastern Montana where OHVs/ATVs can ride freely across BuLM property. The site offers 2,800 acres adjacent to Makoshika State Park for OHV enthusiasts to enjoy.

Museums & Art

Glendive has two museums, The Frontier Gateway Museum and the Glendive Dinosaur Museum. The Gallery is a non-profit, volunteer driven art gallery that works to promote the talents of our Montanan neighbors and friends. Be sure to look at all the beautiful Glendive centric murals.
